

Universal USB-C laptop charger 100W with Power Delivery 3.0 and 3m cable

SKU: LACHGTC100WK

Powerful and dynamic charging, even for laptops and MacBooks

FAST CHARGING UP TO 100W FOR LAPTOPS AND MACBOOKS

This **100W universal USB-C charger** is designed to provide fast and efficient power for **laptops, MacBooks and other USB-C devices**. A single solution to charge all your compatible devices: thanks to **Power Delivery 3.0**, this charger delivers only the power required by the connected device, making it ideal for working, studying or travelling without interruptions.

ADAPTIVE POWER FOR EVERY DEVICE

Thanks to the Dynamic Power Profile, this charger supports multiple charging profiles up to **100W**, ensuring safe energy delivery and compatibility with devices such as notebooks, tablets and smartphones while preventing overloads and optimising performance. For example, you can charge your smartphone at 15W and your laptop at 65W, making this charger a complete and versatile solution.

3-METRE CABLE FOR MAXIMUM CONVENIENCE

The **integrated USB-C cable** and the **removable power cable** offer freedom of movement, ensuring comfortable use in any environment, from your desk to the office or coworking spaces, thanks to the combined length of **3m**. The compact design and the **included cable organizer** make this charger easy to carry and perfect for everyday use.
