

Customisable LED frame for writing or drawing

SKU: LUNEOPENTABK

Leave fun illuminated messages with this LED board, complete with three fluorescent markers.

LIGHT UP THE ROOM WITH YOUR CREATIVITY

This illuminated frame is the perfect decoration for anyone who wants to add a touch of originality to their living room, study or bedroom. The frame is lightweight and easy to hang: all you need is some small nails or adhesive.

DRAW, WRITE AND CLEAN IN A FLASH

Inside the package, you will find everything you need to personalise the board however you like: let your imagination run wild with the three included fluorescent pens (green, pink, and orange), using them to draw or write fun messages. When you turn it on, the board will illuminate your creations creating a unique neon effect.

The board is also easy to clean: simply dampen the cloth included in the package and wipe the glass surface to erase the writing. Now the board is ready to use again.

PERSONALISE EVERY SPACE

Thanks to this light-up frame, you can decorate your favourite room with ever-changing creations. No need to plug it in: three AA batteries* will do the trick.
