

Power Delivery 20W 10,000 mAh power bank, soft touch finish and knurled

SKU: TEBB10000PD20RUG

Secure grip, pleasant materials and excellent charging performance: the right charger for your daily needs

THE CHARGER YOU NEED

The **Power Delivery 20W 10,000 mAh power bank** is a perfect mix of style, practicality and performance. The finishes and the technologies used make it a **versatile accessory** to face small daily needs with confidence.

PERFORMANCE: FAST CHARGING

The portable charger has two outputs: a **USB-C Power Delivery** capable of delivering up to 20W of power and a **10W Intelligent Charge**.

With the USB-C port, you can safely charge a smartphone in 30 minutes and a tablet in 60. The standard USB still provides a fast power supply and the charged devices will not be overloaded or short-circuited.

THE PORTABLE CHARGER

The power bank is compact and boasts a comfortable **soft touch finish**. The body is also **knurled**: a design solution that ensures a good grip and prevents the charger from inadvertently slipping out of your pocket.

RECHARGE TWO DEVICES AT ONCE

It's possible to use **both outputs at the same time** to power two devices at once, but in this case, you won't be able to take advantage of PD fast charging.

POWER BANK CHARGING

Thanks to the **USB-C** input you can recharge the portable charger once the power inside is depleted. Check the level thanks to the **4 status LEDs**.

KEY FEATURES:

- 10,000 mAh capacity
- 20W Power Delivery
- Intelligent Charge
- 1 2.1A USB output
- 1 2.1A USB-C output

- Knurled and soft touch finish
- USB-C input to charge the power bank
- USB - USB-C charging cable included
- Smartphone charge level after 30 minutes with USB-C: 100%*
- Tablet charge level after 60 minutes with USB-C: 100%*.
- Lithium polymer battery
- Aeroplane safe

*Charging times are approximate and depend on the battery capacity of the device being charged.

SKU: TEBB10000PD20RUG

Technical data

SKU: TEBB10000PD20RUG

Weight: 200 g

Battery capacity: 10000 mAh

Recharging cable: USB - Micro USB Cable

Maximum output power: 20 W

EAN: 8018417334412

GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to Battery Regulation 2023/1542/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking

Color: green

Input: USB-C PD 20W

Output: 5VDC / 2.1A, PD 20 Watt - Type-C

: 85076000

Battery: Lithium polymer battery

Connector: 1xUSB-A, 1xUSB-C

Technology: Dual Charge, Intelligent Charge, Power Delivery (PD)

Connector 1: 1xUSB-A, 1xUSB-C

Charging type: Power Delivery 20W
