20,000mAh power bank for computers, smartphones, tablets with USB-C and USB-A

SKU: TEBB20000HDPD65K

The power bank that allows you to charge your USB Type C enabled laptop

Fast charging for all your devices

With a capacity of 20,000 mAh and a 65W USB-C output, this powerbank is designed to charge laptops in addition to your smartphones, tablets, speakers, wireless headsets and e-readers. It is the ideal solution for those who need to use even the most demanding devices away from the power outlet for a long time.

Safe and smart charging

Charging your phone and tablet with 15W USB-A Adaptive Fast Charge technology, this power bank optimises charging needs depending on the device, protecting batteries and ensuring maximum efficiency. Recharge your laptop too with the USB Type C port capable of delivering up to 65W thanks to Power Delivery technology that allows you to deliver high amounts of power safely at all times.

Compact and portable design

Despite its 20,000 mAh capacity, this power bank is easy to carry everywhere thanks to its compact design. Perfect to keep in your bag or backpack, it is the ideal companion for travel, business trips or busy days away from home. You can even take it with you on a plane without having to store it in your checked luggage.

Features:

- 20,000 mAh capacity for extended battery life
- 65W USB-C output with Power Delivery technology, ideal for charging even laptops
- 15W USB-A output with Adaptive Fast Charge for charging additional devices such as phones, tablets and other devices
- Can charge two devices at the same time
- Compact design: measures 93.5 mm x 67.5 mm x 32 mm

What's in the box

- USB-C charging cable
- Instruction manual
