SKU: TEBBCT10000PDLDK

More recharges in a compact format: fast, safe energy wherever you are.

High capacity in a compact format

The **SBS 10,000mAh Power Bank** combines **power and portability** in a single accessory. Thanks to **High-Density** technology, it packs high capacity into a slim, lightweight body, perfect for travel, work and everyday use.

Fast charging with USB-C 20 W Power Delivery

The **USB-C port with 20W Power Delivery (PD) technology** ensures fast and efficient charging, capable of bringing a smartphone up to 50% in around 30 minutes. Intelligent power delivery preserves the battery of your devices, ensuring safety and stability even with tablets and e-readers.

USB-A Port with Adaptive Fast Charge

In addition to power delivery, the charger is equipped with a **USB-A port with Adaptive Fast Charge (AFC)**, which automatically adjusts power to quickly charge compatible smartphones.

Double port and practicality

The **USB-C and USB-A** ports can be used to power two devices simultaneously. In addition, the power bank **charges via a USB-C port** and comes with a **USB-C/USB-A cable** so you can start using it right away.

Safety guaranteed

The integrated protection systems against **power surges, short circuits and overheating**, ensure you can use it with complete peace of mind.
