

1.5 m Data Cable - USB-C connectors

SKU: TECABLETCC20W

A practical and convenient accessory for charging and transferring data between your devices

Top up and transfer data with a single connector

You can easily charge and transfer data between your devices with a single connector.

The data cable is equipped with two USB-C male outputs to connect your accessories that use this type of input.

Just insert one end into a power source or device that can receive data directly from your mobile phone (including Samsung, Xiaomi, Huawei, LG, Oppo, One Plus and many more models) to upload or transfer audio and video content.

Total convenience at your fingertips
The data cable with USB-C connectors is 1.5 meters long, a length that gives you maximum convenience and freedom of movement even while your devices are charging.

The black silicone cable with flexible and anti-tangle soft-touch effect also ensures daily and long-lasting use.

Key features:

- Length: 1.5 metres
- For charging and data transfer
- Two male USB-C metal connectors to plug into a power source or compatible device (Samsung, Huawei, Xiaomi, LG, Oppo, One Plus and many more)
- Material: coated in soft-touch silicone with anti-tangle finish
- · Colour: white
