65W car charger - Ultra-fast charging with Power Delivery (PD)

SKU: TECRPD65W

Ultra-fast charging of your device, even in your car

Smartphone or tablet always charged even during your car trips

If you need your **mobile phone, laptop** or **Tablet** charged and have a short car trip to make, the **65W car charger** is for you. Plug it into your car's **12V socket or cigarette lighter** : it will instantly supply energy. Then connect any device, Apple, Samsung, Oppo, Huawei, Xiaomi or another brand, by inserting your **USB-C**cable in the appropriate port. A smartphone will be charged in 20 minutes and a tablet in 45*.

You can also charge your laptop thanks to the 65W Power Delivery technology

Your vital working days are safe with this **car charger** that can also recharge compatible **laptops** or **MacBooks** in **90 minutes*.**The 65 Watt Power Delivery technology, in fact, allows you to transfer large quantities of energy without short circuits or overheating. Your electronic devices will always be charged in **complete safety** .

Compact and with LED status light

The **compact size** makes it easy to take it everywhere in a bag or backpack. This feature is very useful in case you often change cars, for instance when car-sharing. In addition, the **LED status light** means you can keep an eye on charging status.

*Charging times are approximate and depend on the battery of the device being charged
