

Twin Hop LCD wireless earphones

SKU: TEEARLCDTWSBTK

Wireless 5.0 earphones with pocket 300mAh charging base equipped with LCD screen, multifunction button for calls and music

PERFECT FOR YOU

Perfect for music and calls, the Twin Hop earphones feature a base with an LCD screen. You will always be in control of their charging status.

PRACTICAL

Thanks to **True Wireless Stereo** technology, the earphones connect to each other without needing wires.

The **multifunction buttons** enable quick and easy management of music and calls. Adjust the volume to your liking, use a voice assistant, switch from one track to another, end or reject a call.

The **integrated microphone** will enable you to speak comfortably with your call partner.

COMFORTABLE

The Twin Hop earphones are very light, and have a distinctive semi in-ear design that guarantees an excellent fit.

ENERGY UNDER CONTROL

The **300mAh pocket charging base** enables you to store and power the earphones. The LCD screen enables you to check the base's charging status and the energy in the left and right earphones.

The Twin Hop earphones automatically switch on when removed from the base; when placed in it, they turn off without the need to press any button.

When the case's charge runs out, you can power it with **the Type-C port** it comes equipped with and the **cable included** in the pack.
