

## Multipoint Wireless headset with earpiece

SKU: TEEARSETBT310K

### Wireless v.4.2 headset with multipoint technology, earpiece and answer/end call button

#### A CHOICE OF STYLE

The **multipoint Wireless headset** is the right product for distinguishing oneself. Modern design, practicality of use, maximum comfort and technology are just some of the strengths of this unique accessory.

#### COMFORT AND STABILITY

This product is equipped with an earpiece that ensures excellent grip and stability. In addition, the soft silicone of the headset ensures unrivalled comfort.

#### PRACTICALITY BY YOUR SIDE

Elegant and minimal, the Wireless headset has an **answer and end call button** with which you can use to answer calls from friends and colleagues. You can adjust the sound to your liking by using the **volume control** keys.

#### MULTIPOINT

**Multipoint** technology will allow you to connect two devices to this headset at the same time, ensuring great ease of use. This way you can manage calls from both smartphones **without repeatedly disconnecting and reconnecting**.

#### EASY CHARGING

When the power runs out, you can recharge it using the **Micro USB cable** that you will find inside the package.
