Multipoint Wireless headset with earpiece

SKU: TEEARSETBT310K

Wireless v.4.2 headset with multipoint technology, earpiece and answer/end call button

A CHOICE OF STYLE

The ***multipoint Wireless headset*** is the right product for distinguishing oneself.
Modern design, practicality of use, maximum comfort and technology are just some of the strengths of this unique accessory.

COMFORT AND STABILITY

This product is equipped with an earpiece that ensures excellent grip and stability. In addition, the soft silicone of the headset ensures unrivalled comfort.

PRACTICALITY BY YOUR SIDE

Elegant and minimal, the Wireless headset has an **answer and end call button** with which you can use to answer calls from friends and colleagues. You can adjust the sound to your liking by using the **volume control** keys.

MULTIPOINT

Multipoint technology will allow you to connect two devices to this headset at the same time, ensuring great ease of use.
This way you can manage calls from both smartphones **without repeatedly disconnecting and reconnecting.**

EASY CHARGING

When the power runs out, you can recharge it using the **Micro USB cable** that you will find inside the package.
