

360 ° Full Body protective film for the Samsung Galaxy S9

SKU: TEFB360SAS9

Full body phone protector for Samsung Galaxy S9

The **360 ° Full Body protective film** covers your **Samsung Galaxy S9** like clothing. This transparent and non-slip film kit is designed not only to cover the smartphone's display but also to cover the **back of the device**. Protection against bumps and scratches is on both sides whilst leaving the design of your device unspoiled. Everything needed to attach the two films is included in the package. Application is **fast and easy**, and is identical for both the screen and the back of your mobile phone model.

We suggest you watch our video on Youtube to view the following steps:

- The **applicator** must be inserted in the charging port of your smartphone;
- then remove the transparent lower layer of the film to be applied;
- fix it in the applicator and cause it to adhere using the supplied spatula;
- the upper tab of the protective film must be removed to make the film adhere to the display or back of the device;
- after unblocking the film from the applicator's side and removing the white film, it will be possible to use the spatula to adequately fix the protection;
- finally, thanks to the **included sticker**, it will be possible to remove the yellow part.

The package contains:

- 1 transparent, scratch-proof and anti-slip protective film for display
- 1 transparent, anti-scratch and anti-slip protective film for the back of the smartphone
- 1 cleaning kit with wet and dry cloth
- 1 microfibre cloth
- 1 sticker kit for cleaning and installation
- 1 applicator
- 1 soft spatula
