

Fast Charge kit with charger and Lightning cable

SKU: TEKITTR2ULH2189A

10W Intelligent Charge charger with 2 USB ports and Lightning cable certified Made for iPhone (MFi)

CHARGER KIT

This charger kit contains two useful accessories for **fast charging** your iPhone, iPad or iPod. A unique kit for Apple Addicts who often have to travel for leisure or work.

THE CHARGER

The **10W wall charger** has two 1A and 2.1A USB outputs to power two devices simultaneously. **Intelligent Charge** technology distinguishes the blue USB port, enabling this charger to recognize the maximum amount of power that can be absorbed by your device automatically and regulate it accordingly. So you'll get maximum charging in the shortest possible time: **your smartphone will be fully charged in about an hour.**

THE CABLE

The pack also includes a cable with **USB-Lightning** connectors for charging. Its **1 m length** ensures great versatility of use. If necessary, it can **also be used to synchronize and transfer data** between different devices.

Made for iPhone (MFi)

This cable is Made for iPhone (MFi) certified, meaning it **conforms to the performance standards** required by Apple.

* charging times are approximate and depend on the device being charged.
