

Wireless Earphones with roller clip

SKU: TEROLLCLIPBTK

Wireless in-ear earphones with retractable wire and multipoint technology, black

WHY CHOOSE THIS PRODUCT?

This **wireless headset** is ideal for those who only want to take out their earphones for a call. The practical **35 cm retractable cable** means you can answer calls using the earphones only when necessary.

COMFORT AT YOUR SERVICE

The **convenient clip** lets you attach the receiver to your jacket lapel or shirt and remove the earphones only when needed. The **multi-function key** is always at hand to manage calls and adjust the volume. The **wireless technology** gives a range of 10 metres, so you can answer calls without having your smartphone in your pocket.

When you receive an incoming call, the **earphones will vibrate** so you can answer promptly.

MULTIPOINT

The **multipoint** earphones allow you to connect two devices simultaneously, making them extremely practical to use. Connect the earphones to two devices so you can manage calls from two smartphones **without disconnecting and reconnecting repeatedly**.

EASY CHARGING

Charging the battery of the wireless headset is **simple**: in the package you will find a Micro-USB cable to connect to the USB port of your PC or a charger.
