

4D Ultra Glass Screen Protector for iPhone XS/X

SKU: TESCREEN4DPZIPXK

A black protective film made from tempered glass for iPhone XS/X smartphones

This special **protective film**, which is actually made from **tempered glass**, provides protection for your iPhone XS/X from bumps and scratches.

It adheres perfectly to your iPhone XS/X's display, freeing space for the camera and the microphone. It has been specifically designed to **absorb impacts**, always ensuring a perfect display. The rounded corners also allow the screen protector to adhere firmly to the screen of your smartphone.

The film is covered by a special **oleophobic coating**, which makes annoying fingerprints on the screen far less visible.

The application of this protective film is very simple: just use the two cloths included in the package (one wet and one dry) to clean and dry the screen and apply the glass screen protector onto the screen, paying particular attention to the corners.

Features:

- Material: toughened glass and silicone
- **Curved edges** to protect the entire display
- Resistant to little impacts and scratches
