Chroma Fit HR Watch

SKU: TESPORTBEATCOLHRS

Fitness tracker for monitoring sports activity, with heart rate measurement, training function, colour touch display, weather info and IP68 certification.

SPORTS AND WELLNESS: THE BEST CHOICE FOR YOU

The ***Chroma Fit* smart watch** represents the new frontier of fitnesstrackers. Designed not only for sport lovers, but also all those who want to discover how great it is to stay in shape, this sports watch is equipped with a series of functions dedicated to wellness and sleep monitoring.

A HEALTHY LIFESTYLE ON YOUR WRIST

Chroma Fit will allow you to monitor **heart rate** and record steps taken, distance and routes, as well as calories burned during the day. This fitness tracker gives you the ability to consult and save all **your workout data thanks to the free Go Life app**: thus giving you a complete picture of your physical activity history. Through the training function, you can choose the sport you want to practise, and start evaluating your progress.
Certified to **IP68**, Chroma Fit is protected against dust ingress, and can also be used for short dives.

NOT JUST SPORT

Worn at night, Chroma Fit will monitor the duration and quality of sleep. **The colour LCD display** will show incoming call and message notifications; you will never miss anything while you train.

EASY RECHARGING

The body of this fitness tracker has a **built-in USB connection**.
With a simple movement, the smart watch can be removed from the adjustable strap; to recharge it, simply plug the connector into a device with a USB port, such as a PC or charger.

GO LIFE

Go Life is the app developed by SBS, to evaluate and monitor daily physical activity and nutrition. It can be downloaded **free** from the Apple App Store and the Google Play Store, and allows you to connect all the devices in the Go Life line, which includes several fitness trackers, skipping ropes, weights, body composition scales, nutritional scales, and a cadence meter for your bike.

FEATURES:

- Wireless
- Supports the Go Life App, and is compatible with iOS (version 8.0 and later) and Android (version 4.3 and later)

- Monitors: steps, heart rate, calories, distance, quality and duration of sleep
