Snap Fitness Watch

SKU: TESPORTBEATHR2K

Fitness tracker for monitoring sports activity, with heart rate control, pedometer, calorie counter, Training function and OLED display

WHY CHOOSE IT?

The ***Snap Fitness Watch*** is the sports watch that allows you to monitor your daily physical activity and your workouts day by day.
This elegant fitness tracker records, among other things, steps, calories burned, heart rate and distance travelled.

THE IDEAL LIFESTYLE

Snap Fitness is the perfect **fitness tracker** for you, if you love to do sports but do not always want to bring along your smartphone. In addition, before a workout, you can consult the "**Training**" selection and select the sport you are about to do. Then leave the smartphone at home: Smart Fit registers and saves all training data. You can also consult your workout history.
Worn at night, this fitness tracker automatically monitors the **quality** and **duration of sleep**.

DON'T MISS A THING

Receive **notifications** about **incoming calls** and **messages** directly on the Snap Fitness Watch. A summary of recent contacts will appear on the display.

EASY RECHARGING

The body of this fitness tracker has a **built-in USB connection**.
With one simple movement, you can extract the smart watch from the adjustable strap: to recharge, simply insert the connector into any device with a USB port like a PC or a charger.

GO LIFE

Go Life can be downloaded for free from the **Apple App Store** and **Google Play Store** and allows you to connect all the devices in the **Go Life range** including different fitness trackers, skipping ropes, weights, body composition scales, nutritional balance and bike cadence meters.
