Magnetic car holder with Wide Line suction cup

SKU: TESUPPWINDWIDEK

Universal magnetic support with suction cup hook for dashboard or windscreen, 2 metal plates included

This Wide Line ***magnetic stand for cars*** is the ideal accessory to drive in complete safety.
This mobile phone holder is universal for all smartphones: thanks to the **suction mount**, you can place it on the dashboard or on the windshield according to your needs. Detaching the support is very simple: just press the small lever for an immediate release.
The **360 ° rotation** and the swivel joint will allow you to adjust the display according to your needs. The smartphone will remain firmly secured to the support by means of the two metal plates included in the package.
The **circular plate** is designed to fix your device directly to the magnet, while the **rectangular** one is positioned inside the cover or the battery slot.

Features:

- Diameter: 70 mm
- Adjustable
- 360 ° rotation
- Suction cup attachment for the dashboard / windscreen
- Telephone connection via magnet
- 2 metal plates (1 round and 1 rectangular) included
