30W PD wall charger with HDMI port

SKU: TETR1CHDMIPD30

Charge your device and stream to your TV at the same time with only one accessory

FAST CHARGING WITH NO OVERHEATING RISKS

The integrated USB-C port offers up to 30W of power and provides **fast charging without overheating risks**. Thanks to **Power Delivery technology**, only the power required by the connected device is supplied, preventing energy waste and protecting your devices' batteries while still ensuring reduced charging times: just **35 minutes for a smartphone and 70 minutes for a tablet.** *

ONE ACCESSORY, DOUBLE FUNCTION

This charger **combines charging and mirroring functions** in one single accessory: it includes an HDMI port that allows you to project or mirror the content from the compatible charging device. Thanks to mirror mode, you can **duplicate the screen of the compatible device connected to the charger** onto monitors, TVs and projectors, without the need for additional adapters. A compact and versatile solution, perfect for home entertainment, gaming, office presentations or smart working days.

WHAT MAKES IT STAND OUT

- Fast and safe charging up to 30W for smartphones and tablets
- Power Delivery technology
- Direct multimedia connection: mirroring via HDMI port with no extra adapters
- Dual function: charging and content projection Ideal for entertainment, presentations, smart working

*Charging times are approximate and depend on the battery of the device being charged
