Charger with two USB-C ports, 45 Watt Power Delivery

SKU: TETR2CPD45W

You can quickly charge your laptop, MacBook, tablet, iPhone, Samsung devices, and many others

The 45-Watt USB-C ports

The **45-Watt charger** with ultra-fast charging allows you to quickly power your laptop or MacBook that supports USB-C charging. Maximize the power by connecting your PC individually to the **red 45-Watt USB-C port** with **Power Delivery (PD) technology**. This gives you ultra-fast charging, and your **computer**'s battery will be fully charged to 100% in just 70 minutes*. You can also charge your **tablet** in just 40 minutes* or have your **smartphone** ready to use after only 20 minutes*.

Charge up to 2 devices at the same time

It also features a **20-Watt USB-C Power Delivery port**, ideal for charging an additional device such as a **smartwatch, speaker, e-reader, or TWS earbuds**. When both USB-C ports are in use, you will always get **at least 20 Watts of charge** per connected device.

Essential in any situation

The **European plug** on the **ultra-fast charging charger with two USB-C Power Delivery ports** lets you easily plug it in at the office, at home, or when traveling, keeping your devices charged and ready to use. Its **lightweight and compact design** makes it the perfect accessory to carry in your bag or backpack, so it's always within reach for any occasion.

*Charging times are approximate and depend on the battery capacity of the device being charged.

Key features:
