30W Battery GaN Charger - Ultra-fast charge

SKU: TETRGAN1C30W

Wall charger with USB-C port for fast and safe charging

Super-fast charging for all your devices

The **GaN 30W charger** charges **smartphones, tablets, smartwatches, TWS headphones and speakers** from a variety of brands including Apple, Samsung, Huawei, Xiaomi and Oppo. This charger can also charge the **MacBook Air** (check the technical specifications of the device you want to charge). An essential accessory at home or in your office.

Power Delivery technology ensures performance and security

The charger's **Power Delivery (PD) technology** can charge your devices with more power. As soon as you plug your compatible cable into the **USB-C port**, the GaN wall charger **delivers 30W of power**, meaning your **smartphone will be charged in 30 minutes, your tablet in 60 and your MacBook Air in 110** (recharge times are indicative and can depend on the battery capacity of the device being charged). Power Delivery also means **safety** : products equipped with this technology are designed to communicate directly with the device in order to control the correct amount of energy being supplied. This helps to **prevent overheating and short-circuiting**.

Powerful and very compact thanks to GaN semiconductors

This charger is made with Gallium Nitride (GaN) semiconductors. Accessories with this feature are more compact and also very powerful. The GaN network charger case **measures only 35 x 30 mm**, meaning it can be easily stored in a handbag or backpack. Always take it with you on your travels: the charger's **European plug** ensures compatibility in many countries all around the world.

Smart design: practical and functional

Its particular design ensures practicality: you can insert the charger into a plug from any direction and **you will have no difficulty inserting your charger cable into the charger itself**.

Key features:

- equipped with 1 x USB-C port
- GaN: very powerful but smaller than a normal charger
- universal (check the technical specifications of the device you want to charge)
- delivers 30W of energy: smartphone charged in 30 minutes, tablet in 60, MacBook Air in 110 (recharge times are indicative and depend on the battery capacity of the device being charged)
- Power Delivery technology: power and safety guaranteed
- European plug
- Shell size: 35x30 mm

SKU: TETRGAN1C30W

Technical data

EAN: 8018417438158
SKU: TETRGAN1C30W
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to CE marking, The device is protected by double insulation, an earthed connection is not permitted, Packaging of the item subject to the "Green Dot" recycling system, Use the product indoors and in a sheltered environment, The item packaging is recyclable, Item subject to UKCA marking
Color: black
Net Depth: 7.2000 cm
Input: 100-240 V A.C. 50/60 Hz - 1.5 A
Net Width: 3.2000 cm
Net Height: 3.2000 cm
Output: 5V D.C. 3A/9V D.C. 3A/15V D.C. 2A/20V D.C. 1.5A (PD 30W)
Weight: 75 g
: 85044060
Connector: 1xUSB-C
Plug type: EU EU (Type C)
Technology: Power Delivery (PD)
Connector 1: 1xUSB-C
Output power: 30W
Charging type: Power Delivery 30W
Input voltage: 100 - 240 Vac / 50-60 Hz
Recharging time: N/A
Maximum output power: 30 W
