65 Watt GaN charger with Power Delivery

SKU: TETRGAN1C65W

Compact wall charger for fast, safe charging

Super-fast charging for all your devices

The **65 Watt GaN charger** can power your **laptop** and **MacBook Air** (check the technical specifications of the device you want to charge).This charger also charges **smartphones, tablets, smartwatches, TWS headphones and speakers** from a variety of brands including Apple, Samsung, Huawei, Xiaomi and Oppo.An essential accessory for your home and office.

Power Delivery technology ensures performance and safety

Power Delivery (PD) technology can charge your devices with more power. As soon as you plug your compatible cable into the **USB-C port**, the GaN wall charger **will deliver power at 65 Watts**, charging your favourite accessories ultra-fast. A **smartphone** will charge **in 15 minutes**, a **tablet in 30**, and a **laptop in 50** (charging times are indicative and depend on the battery capacity of the device being charged). Power Delivery also means **safety** : products with this technology are designed to communicate directly with the device to control the correct amount of power being supplied. This **prevents overheating and short-circuiting**.

Powerful and very compact thanks to GaN semiconductors

This charger is made with Gallium Nitride (GaN) semiconductors. Accessories with this feature are more compact and very powerful. The GaN network charger **measures only 60x30 mm**, meaning it can be easily stored in a handbag or backpack. Always take it with you on your travels: the **European plug** ensures compatibility in many countries around the world.

Smart design: practical and functional

Its particular design makes it very practical: you can insert it into a wall socket from any direction and **easily insert your charging cable**.

Key features:

- equipped with 1 x USB-C port
- GaN: very powerful but smaller than a normal charger
- universal (check the technical specifications of the device you want to charge)
- delivers 65W of power: charges smartphones in 15 minutes, tablets in 30, laptops in 50 (charging times are indicative and depend on the battery capacity of the device being charged)
- Power Delivery technology: power and safety guaranteed
- European plug
- Size: 60x30 mm

65 Watt GaN charger with Power Delivery
SKU: TETRGAN1C65W

Technical data

EAN: 8018417438172
SKU: TETRGAN1C65W
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to CE marking, The device is protected by double insulation, an earthed connection is not permitted, Packaging of the item subject to the "Green Dot" recycling system, Use the product indoors and in a sheltered environment, The item packaging is recyclable, Item subject to UKCA marking
Color: black
Net Depth: 10 cm
Input: 100-240 V A.C. 50/60 Hz - 1.5 A
Net Width: 3.2000 cm
Net Height: 3.2000 cm
Output: 5/9/12/15 V D.C. 3.0A - 20 V D.C. 3.25A (PD 65W)
Weight: 140 g
: 85044060
Connector: 1xUSB-C
Plug type: EU EU (Type C)
Technology: Power Delivery (PD)
Connector 1: 1xUSB-C
Output power: 65W
Charging type: Power Delivery 65W
Input voltage: 100 - 240 Vac / 50-60 Hz
Recharging time: Less than 1 hour
Maximum output power: 65 W
