65W charger with LCD, 2 USB-C Power Delivery outputs and 1 USB-A Adaptive Fast Charge

SKU: TETRGANLCD1USB2C65K

Fast and safe charging for all your devices, from smartphones to laptops, with a powerful and versatile charger.

Powerful and versatile charging
Optimise your charging experience with the **65W LCD wall charger**, perfect for powering smartphones, tablets, speakers, earphones and even laptops. Its high power allows you to manage the charging of multiple devices easily and quickly.

Charger with Power Delivery technology for ultra fast charging
The charger is equipped with **two USB-C Power Delivery outputs**. Used individually, these outputs can charge a **phone in just 15 minutes, a tablet in 30 minutes and a laptop in just 50 minutes**. This unique feature makes the charger ideal for those who always need their devices ready for use in a short time.

GAN: Ultra compact

Thanks to the high efficiency of the Gallium Nitride (GaN) it contains, this charger **is very powerful but extremely compact in size**.

Universal compatibility with USB-A Adaptive Fast Charge port
In addition, the **60W USB-A Adaptive Fast Charge** port allows you to quickly charge all devices that do not support Power Delivery technology, ensuring compatibility, safety and high performance for a wide range of devices.

Maximum convenience with the LCD
The **integrated LCD** allows you to monitor the power delivered in real time. The EU wall socket makes it perfect for use at home or in the office, plugged into the wall or a power strip. Another key feature is the ability to recharge **up to 3 devices simultaneously**, offering maximum flexibility.

Main features:

- LCD to see the power delivered to the device
- Ideal for smartphones, tablets, earphones, speakers, smartwatches and laptops
- 2x65W USB-C Power Delivery outputs
- 1x60W USB-A Adaptive Fast Charge output
- Charge up to 3 devices simultaneously.
- EU plug for walls and socket strips
