# 100-watt GaN charger with Power Delivery (PD)

SKU: TETRGANUSB2CPD100W

## Small and powerful, ideal for charging all your devices simultaneously

**Ultra-fast charging for all your devices**

The ***100W GaN charger*** is the ideal choice for people with powerful accessories that need a high level of energy. It can **power up to 3 devices simultaneously**. Its unique design makes it very practical: you can insert it into a wall socket either way up and **easily insert your charging cable**.

**What sets GaN chargers apart**

This charger is made with **gallium nitride semiconductors.**The charger is therefore **small but very powerful,** measuring just 7.4 x 4 x 4.1 cm.

**Power Delivery (PD) supply: lots of power, maximum safety**

Equipped with a European plug, this charger features **two USB-C Power Delivery (PD) outputs** that deliver **65** and **100 watts** respectively. Even if both are in use, these ports will never deliver **less than 95 watts.** They can charge any device in a flash: **iPhones** and **Android smartphones** from brands such as Samsung, Oppo, Xiaomi and Huawei charge in **10 minutes**; **tablets and iPads** charge in **20 minutes**; and **laptops and MacBooks** in **30 minutes** (charging times are estimates and depend on the battery of the device being charged).
Power Delivery technology combines **impressive charging performance** with **unmatched safety**. There is no risk of short circuits or overloads during charging.

**The 36W USB-A port is fast and safe**

This universal charger has a third output that supports **USB-A** cables. This port is equipped with **Adaptive Fast Charging (AFC)** technology that determines the power of the charging device. The charger can deliver **36W** to ensure a fast and safe supply without your device being overloaded.

**Key features:**

- Gallium nitride (GaN) semiconductors: small but powerful
- universal charging for smartphones, tablets, laptops, speakers, e-readers, smartwatches and more
- Maximum power output: 100 watts
- dimensions: 74 x 40 x 41 mm
- smart design
- 2 USB-C ports delivering 65 and 100 watts respectively with Power Delivery technology (PD)

- 1 36W USB-A port with Adaptive Fast Charge (AFC) technology
- European plug

100-watt GaN charger with Power Delivery (PD)
SKU: TETRGANUSB2CPD100W

# Technical data

EAN: 8018417447822
SKU: TETRGANUSB2CPD100W
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to CE marking, The device is protected by double insulation, an earthed connection is not permitted, Packaging of the item subject to the "Green Dot" recycling system, Use the product indoors and in a sheltered environment, The item packaging is recyclable, Item subject to UKCA marking
Color: black
Net Depth: 4 cm
Input: 100-240V A.C. 50/60 Hz 2A
Net Width: 4 cm
Net Height: 11.4000 cm
Output: 100 max
Weight: 220 g
: 85044060
Connector: 2xUSB-C
Plug type: EU EU (Type C)
Technology: Power Delivery (PD)
USB Output: 5 V D.C. 3A/9 V D.C. 3A/12 V D.C. 3A (36 Watt max)
Connector 1: 2xUSB-C
Connector 2: USB-A
Output power: 100W
Charging type: Power Delivery 100W
Input voltage: 100V - 240V A.C. 50/60 Hz 1.5 A
Type C output: All USB-C ports occupied: 95W max
Recharging time: Less than 1 hour
Maximum output power: 100 W
