

Universal telescopic kickstand

SKU: TETRIPODPROALLUM

Take amazing and perfectly stable photos

USE IT WITH ANY SMARTPHONE OR SLR

The **universal telescopic kickstand** is the perfect accessory for taking photos with maximum stability. The practical **shield** lets you **attach any kind of smartphone, SLR and Gopro** making it perfect for video and live streaming too: don't limit your creativity. **Rotate the main boom up to 360°** and **tilt the shell at will** to play with shots for unique photos and videos.

EXTEND IT TO TAKE PHOTOS AT THE RIGHT HEIGHT

When closed, the universal telescopic kickstand measures 43 cm, but **you can extend it up to a whopping 137 cm** so you can always have the perfect photo at the right height. You'll have full control over every shot.

OPTIMUM STABILITY AND BALANCE THANKS TO THE BUBBLE AND HOOKS

On the fixing body and legs of the **universal telescopic kickstand** you'll find a **levelling bubble** so that you always have the **lens well-balanced**. Your photos will be perfectly level.

The practical **self-locking hooks** ensure leg stability and, thanks to the **hook** located on the central column, you can **hang heavy objects** to further stabilise the tripod.

The **rubber feet** also provide excellent grip on any flat surface.

CARRYING IT AROUND IS EASY WITH THE PRACTICAL BAG

Store the universal telescopic kickstand inside the **bag included** and take it wherever you want: to the beach, the mountains, the lake or the park.
