20W Power Delivery USB-C Wall Charger Kit with 1.5 m Braided USB-C Cable

SKU: TETRKITGAN1C20MINI

Fast and intelligent charging in a micro format, with anti-tangle cable included

COMPLETE KIT FOR EVERYDAY FAST CHARGING

This **20W wall charger kit** includes everything you need to charge smartphones, tablets, TWS earphones and other compatible devices, also ideal for MacBook Neo. The charger features a **micro design (31x32 mm)** that takes up very little space in your bag or backpack, making it perfect even for wall sockets in tight spaces around the house. Its compact size is made possible by **GaN (Gallium Nitride) semiconductors**, which deliver high performance in a compact, efficient charger designed for everyday use.

The included **1.5 m USB-C cable** completes the kit, ensuring comfortable charging even when the power socket is far away, so you can keep using your device while it charges.

POWER, EFFICIENCY AND CONTROL

The integrated **20W Power Delivery** technology provides fast and optimised charging for compatible devices: the charger automatically adapts the power output to the connected device, allowing you to use a single charger for different devices. Charging is further optimised thanks to **Programmable Power Supply**, a technology that dynamically and precisely adjusts the voltage supply according to your device's charging requirements.

SOFT, DURABLE AND ANTI-TANGLE BRAIDED USB-C CABLE

The **USB-C cable** with braided fabric coating is soft to the touch, durable and designed to reduce tangling during use, ensuring a comfortable charging experience, preventing annoying knots and keeping the cable neat and ready to use at all times.

KEY FEATURES

- 20W charger with USB-C port
- Power Delivery technology for fast and optimised charging
- Programmable Power Supply for dynamic voltage and current management
- GaN semiconductors for higher efficiency and compact dimensions
- Micro size 31x32 mm
- Anti-tangle braided fabric cable

WHAT'S INCLUDED

- 1 micro wall charger
- 1 cable

20W Power Delivery USB-C Wall Charger Kit with 1.5 m Braided USB-C Cable
SKU: TETRKITGAN1C20MINI

Technical data

EAN: 8018417536526
SKU: TETRKITGAN1C20MINI
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to CE marking, The device is protected by double insulation, an earthed connection is not permitted, Packaging of the item subject to the "Green Dot" recycling system, Use the product indoors and in a sheltered environment, The item packaging is recyclable, Item subject to UKCA marking
Color: white
Net Depth: 6.7000 cm
Input: 100-240 V A.C. 50/60 Hz - 0.5 A
Net Width: 3 cm
Net Height: 3.2000 cm
Output: 5V D.C. 3A/9V D.C. 2,22A/ 12V D.C. 1,67A (PD 20 W)
Weight: 95 g
: 85044060
Connector: 1xUSB-C
Plug type: EU
Technology: GaN, Power Delivery (PD), Programmable Power Supply

Output power: 20W
Charging type: Power Delivery
Input voltage: 100 - 240 Vac / 50-60 Hz
Included accessories: 1 USB-C power cable
Maximum output power: 20 W
