Charge your devices wherever you are

Charged devices worldwide

Charge your devices wherever you are. With this universal travel charger with integrated **US** plug and **adapters (UK/EU/AU)** you can charge your laptop, tablet, phone, e-reader and speaker **anywhere in the world**.

Protects your device from overheating and short circuits

Charging your phone and tablet with **Adaptive Fast Charge** technology in the USB-A port, this travel charger optimises charging needs depending on the device, **protecting batteries and ensuring maximum efficiency**. Recharge your laptop as well with the USB Type C port with **Power Delivery** technology that allows you to transmit high amounts of power safely at all times.

The charger offers **flexibility and convenience** with three USB-C ports and a USB-A port. Use the single USB-C port to charge up to 100W and power even the most energy-hungry devices. Or **choose to take advantage of all ports simultaneously** and charge all your devices using a single charger. This way you'll always have your smartphone, tablet, e-reader and speaker charged on your travels.
