Lock Pro universal mobile phone mount for bikes and scooters

SKU: TEURRIDEMOUNT

Secure your smartphone during all your cycling trips

THE PERFECT MOBILE PHONE MOUNT FOR BIKES AND SCOOTERS

The **Lock Pro mount** is the ideal travel companion for all cycling and scooter enthusiasts. Designed to offer optimal security, this **mobile phone mount** fits perfectly on the **handlebars of your bicycle or scooter**, ensuring perfect stability and visibility of your device while riding.

INSTRUCTIONS FOR USE: INCLUDED ACCESSORIES AND INSTALLATION

In the package, you will find a **practical Allen key** to easily install the mobile phone mount without any additional tools. The installation process is fast and intuitive, so you can hit the bike lane in no time.

If your **phone case is compatible with the Lock Pro** certified attachment system, your smartphone can be fitted onto the mount in no time: simply press, turn, and you're done! The case can also be detached in a flash: simply press and turn it again, allowing you to transition from one mode of transport to another quickly and easily.

If your phone case is not compatible with Lock Pro, the mount offers an equally effective alternative: **an adhesive** to apply directly to your smartphone or case. It guarantees a firm and secure hold. Make sure the surface to which you apply it is smooth and clean, wait 15 minutes for optimal adhesion, then go ahead and attach your device.

THE IDEAL UNIVERSAL MOBILE PHONE MOUNT FOR ALL YOUR ADVENTURES

The **design sturdy and versatile attachment options** make this universal mobile phone mount the ideal choice if you are looking for a reliable solution to carry your smartphone safely. Perfect for riding on country paths or scooting around town.

MAIN FEATURES:

- Attaches to bicycle or scooter handlebars
- Compatible with the Lock Pro attach-and-release cases
- Universal adapter with adhesive to attach non-Lock Pro mobile phones/cases
- Allen key for attachment to handlebars
