Lock Pro motorbike stand stabiliser

SKU: TEURSTABILIZER

Absorbs vibrations and improves the stability of your mobile phone while on the bike

The **Lock Pro stabiliser** is designed to enhance your motorcycling experience. You will be able to look at your mobile phone display without excessive vibrations and with the confidence that it will not fall off.

This accessory allows you to **reduce vibrations and improve the stability of your smartphone** while riding your motorbike, even when you are tackling dirt tracks.

The stabiliser is **compatible with the motorbike holder and cover from the Lock Pro collection**. You can attach it to the mobile phone holder and, thanks to the certified docking system, it allows attachment to your phone case.

Simply **press and rotate the case** to detach it from the stabiliser.

What sets it apart:

- Compatible with motorbike mount and cases from the Lock Pro collection
- Reduces vibration for maximum stability
- Press and rotate the case to release it from the stabiliser
