Qi2 15W MagSafe compatible wireless charging base, that also acts as a stand

SKU: TEWIRQI215W

Harness the power of Qi2 fast charging and keep your smartphone always at hand!

Wireless base with built-in stand support
By means of a small lever, this **wireless charging base** can be transformed into a practical holder for your smartphone. You can use your phone while charging to watch videos, follow tutorials or make video calls, all with maximum comfort and without interruptions.

Compatibility with MagSafe and other wireless devices
The base is **compatible with 15W MagSafe fast charging** for iPhone, ensuring optimal charging times. An iPhone is fully charged **in about 50 minutes**. In addition, it can be used with any device that features wireless charging technology, making it versatile for all your devices.

Qi2 technology with Magnetic Power Profile
Take advantage of **Qi2 technology with Magnetic Power Profile** for more efficient and safe charging. This system ensures precise positioning of the device on the base, reducing energy dispersion and optimising charging speed. **Goodbye overheating and slow charging!**

Built-in USB-C cable
The base boasts a practical **integrated USB-C cable**, ready to be connected to a power source. This detail eliminates the need for extra cables, making the charging process even easier and more clutter-free.

Key features:

- Support stand
- Compatible with 15W MagSafe charging
- An iPhone charges in about 50 minutes
- Ideal for cell phones compatible with wireless charging
- Qi2 technology for better charging efficiency
