

Heart Sport Band for your fitness

SKU: TTHEARTRATEBTK

Chest strap for controlling heart rate during physical activity

The Heart Sport Band is a very advanced chest strap. It contains all the technology needed to help you monitor the calories you burn during a workout along with your heart rate.

Thanks to its compatibility with the free Go Life app, you can save and analyse all of your results. Made of flexible high-tech materials, it's the ideal workout companion.

This chest belt is synchronised with GoLife, the free app developed by SBS for monitoring daily physical activity. The app is compliant with iOS (9 and later) from the apple store and Android (4.3 and later).

Features:

- Made of flexible high-tech materials for a seamless integration with your workouts
- Measures heart rate and calories burned
- Compatible with iOS 9 and Android 4.3 and later devices
